

MANAGEMENT SYSTEM

Corporate Policy

Health and safety, the environment and quality (HSEQ) are of particular importance to WALDNER Holding GmbH & CO. KG, Hermann WALDNER GmbH & Co. KG, Hohenloher Spezialmöbelwerk Schaffitzel GmbH & Co.KG, WALDNER Laboreinrichtungen GmbH & CO. KG and to the local sales offices Labortech WALDNER S.L. in Spain, WALDNER Limited in Great Britain, WALDNER Benelux B.V. in the Netherlands and WALDNER INDIA PRIVATE Ltd. They represent one of the foundations of our successful business operations and are a key criterion for customers at home in Germany and abroad when buying our products and systems.

By publishing this corporate policy, we are underlining the determination of the Management and all members of staff to deal responsibly with quality, the environment and health and safety at work. Our decisions are based on the aim of fulfilling the demands placed on us. Furthermore, in all our company's operations, we undertake to comply with the law and all relevant requirements, and to reduce or avoid any impact on the environment or infringement of health and safety at work regulations.

The corporate targets we set annually serve to continuously improve the company's performance in relation to quality, the environment and health and safety at work.

Our work is based on globally accepted standards. We are inspected and certified annually by an independent centre to ensure that we meet international standards.

This corporate policy applies to all members of staff of the WALDNER Group as a mandatory guideline for safe, conscious, customer-focussed and responsible conduct.
